## NOTES

*Ideas, designs and styles for your home*

By **PENDLE HARTE**

## WALL STORY

**BENJAMIN MOORE**

*Influenced by the relaxed artistry of the Bloomsbury Group and the knocked-back tones of the 1940s, this season's paint colours strike a relaxed yet elegant note.*

*For schemes that are perfectly poised between personality and liveability, try a muted base of easy-to-live-with tones, whether soft blue, ochre or tobacco.*

### PRIDE OF PLACE

**THE ROOST**

The Sandra placemats have an intricate design that brings a touch of timeless sophistication to any tabletop. Each piece is handcrafted by talented artisans in the tiny town of Usiacuri, Colombia.

## TABLE TALK

KIT KEMP DESIGN STUDIO

Kit Kemp Design Studio and Schotten & Hansen have launched the Munich table, a fully functioning art piece that can evolve over time. The magnetic insert is made up of individual wooden veneer pieces that can easily be lifted out and changed for an alternative design.

## INTERIORS · NOTES

## FRENCH FANCY

TIFFANY

Tiffany's new dinnerware revives 'Comtesse de Grignan', a Tiffany-exclusive porcelain pattern that appeared as early as 1961. The Grignan pattern is named after a commune in southeastern France, which is known for its lavender.

## POT HEADS

BUSTER + PUNCH

Buster + Punch teamed up with Staub in an unlikely marriage between French culinary tradition and London industrial design. The result is this black Cocotte with stylish brass handles
